Babies and children do not come with an instruction manual. The Greater Hazelwood Family Center is here to support and guide parents as they forge through the wonderful world of parenting.

Services include:

- Child Development support
- Goal planning
- Medical support for well child and immunizations of children
- Health insurance connections
- Parenting Education
- Prenatal and post partum support

We accomplish this through:

- Home Visits
- Center visits
- Parent Workshops
- Parent Support Groups

Fun Activities:

- Field Trips
- Arts and Crafts
- Family Fun Nights
